Amendments to Certificates of Insurance  
Effective July 1, 2021

Royal & Sun Alliance Insurance Company of Canada  
18 York Street, Suite 800, Toronto, Ontario M5J 2T8

You may refer to your original Certificates of Insurance and note the amendments below.

### **The following changes apply to your trip cancellation/trip interruption insurance (Policy No. PSIO37171999)**

**The following wording replaces the existing Insured Risk(s) in the Certificate of Insurance related to a travel advisory issued by the Canadian Government:**

A travel advisory issued by the Government of Canada, after the purchase of your trip, of "Avoid non-essential travel" or "Avoid all travel" to a specific country, region or area originally ticketed for a period that includes your trip.

**The following wording replaces any existing General Exclusion(s) wording in the Certificate of Insurance related to any loss, claim or expense of any kind caused directly or indirectly from war (declared or not), act of foreign enemies or rebellion:**

Your participation in and/or voluntary exposure to any risk from: war or act of war, whether declared or undeclared; invasion or act of foreign enemy; declared or undeclared hostilities; civil war, riot, rebellion; revolution or insurrection; act of military power; or any service in the armed forces.

## **The following exclusions are added to the General Exclusions:**

- Any medical condition you suffer or contract, or any loss you incur in a specific country, region or area while a travel advisory of “Avoid non-essential travel” or “Avoid all travel” is in effect for that specific country, region or area and the travel advisory was issued by the Government of Canada before your date of departure, even if the trip is undertaken for essential reasons. This exclusion only applies to medical conditions or losses which are related, directly or indirectly, to the reason for which the travel advisory was issued.

If the travel advisory is issued after your date of departure, your coverage under this insurance in that specific country, region or area will be restricted to a period of 10 days from the date the travel advisory was issued, or to a period that is necessary for you to safely evacuate the country, region or area, after which coverage will be limited to medical conditions or losses which are unrelated to the reason for which the travel advisory was issued, while the travel advisory remains in effect.

- A trip cancellation, trip interruption or trip delay which is related, directly or indirectly, to Coronavirus disease 2019 (COVID-19).

## **The following change applies to all insurance certificates included with your card:**

### **The following wording is added to the general provisions of the Certificates of Insurance:**

The Insurer shall not provide any coverage or be liable to provide any indemnity or payment or other benefit under this certificate which would breach economic, financial, or trade sanctions imposed under the laws of Canada, the European Union, the United Kingdom or any other applicable jurisdiction.

All other terms of the Certificates of Insurance remain unchanged. Please retain this Amendment with your original Certificates of Insurance for future reference. You may wish to carry this information with you when you travel.
